PLEASE READ THESE TERMS AND CONDITIONS VERY CAREFULLY.

By accessing or otherwise using the Callmasters website at callmasters.us or any other Callmasters Inc. website or web application (each, a “Site”), you agree to be bound by these terms and conditions of use and any other applicable end-user agreements.

Changes to the Terms and Conditions

Callmasters may change these terms and conditions of use at any time, without prior notice. If you access or use a Site after Callmasters posts a change, you accept that change. If you do not accept the change, do not access or use the Site. You should check these terms and conditions of use periodically.

Access and Use of a Site

Callmasters grants you a limited license to access and use the applicable Site, including to display, copy, distribute and download its content, only for your personal, non-commercial use and provided that you do not modify the Site, its content, or any copyright or other proprietary notices. This license terminates automatically if you breach any of these terms and conditions of use. Upon termination, you must immediately destroy all copies in your possession.

Unauthorized use of a Site or any content may violate copyright laws, trademark laws, the laws of privacy and publicity, and communications regulations and statutes.

Restrictions on Use of a Site

Except as expressly authorized above, you may not copy, modify, distribute, download, display, transfer, post or transmit the Site or its content in any form without Callmasters’ prior written permission.

The following activities are also expressly prohibited without Callmasters’ prior written permission: any non-personal or commercial use; use of any robot, spider, other automatic device, or manual process to monitor or copy a Site or any of its content; “mirroring” a Site or any content on any other server; collection or use of product listings, descriptions, or prices for a supplier of competitive or comparable products; and any action that imposes an unreasonable or disproportionately large load on a Site or otherwise interferes with its functioning.

Posting and Transmitting to a Site

Except for information that is subject to the Callmasters Privacy Policy, Callmasters will not treat information you post or transmit to a Site as confidential or proprietary. By sending information to Callmasters through a Site (by transmitting, posting, or otherwise), you agree that Callmasters may use that information in any way, for any purpose, including Callmasters' own commercial purposes, subject only to the Callmasters Privacy Policy.

You may not post or transmit any threatening, defamatory, sexually graphic, inflammatory, profane or other inappropriate material. Callmasters reserves the right to edit or remove any post or transmission that, in its judgment, is not appropriate.

Under no circumstances will Callmasters or its affiliates have any liability with respect to any claims or damages (whether direct or indirect, special, incidental, consequential or punitive) as a result of your access or use of (or inability to access or use) a Site or its content, even if they have been advised of the possibility of such damages. You access and use each Site at your own risk.
